# M-AbleMonitor

Program for the Traumatically Brain Injured

## Fall Has Arrived but Our Garden is Still Growing!

Your generous donations to the Timothy McClatchy Memorial Fund and a wonderful grant of \$2,500.00 from **Bray Family Foundation** allowed Naturescapes to enlarge, improve and beautify the wheelchair accessible garden. We are glad to welcome Sarah Hutchin, HTM, a horticultural therapist to our staff. She has already planned many new gardening tasks for our TBI clients to implement. Our clients have planted an ever-bearing blueberry bush, garlic and spring bulbs in pots that are tucked away in the garden soil.

# THE TIMOTHY MCCLATCHY MEMORIAL GOLF OUTING

This was the ninth year for our M-Able Golf Outing. It was special because we dedicated it to Timothy McClatchy who passed on in January. Tim was the inspiration for starting M-Able, a day program for the brain injured. The outing was held at Sunnybrook Golf Club on September 17, 2008. It was a perfect day from beginning to end. Our volunteers, golfers and sponsors helped make it our most successful outing so far. The money raised by this outing helps us to keep the cost of the program affordable for our clients. We have not raised our tuition in the last ten years. **THANK YOU** for making this possible! A special thank you goes to **Scheivert Realtors** for sponsoring a \$10,000 hole-in-one prize and the **Great Britians** of Willow Grove who sent over a Jaguar as a hole-in-one prize. Although no one had a hole-in-one, it added to the fun and excitement on the course.

First Place! Mike Rogers, Ed Berry, Jack Quinn and Marty Berry (longest drive).

Third Place! Paul Missett, Marty Farrell, Scott Fremont and Steve Missett.
